RE: RECOMMENDATION OF P.M.D. INSURANCE INC.

To The Pastor's of Alabama:

Being a pastor myself I know how busy your schedule can be, but if you could take just a few minutes of your time and let me share some information with you it could relieve some of your concerns about your insurance needs and it could save you some money.

About four months ago my congregation and I found ourselves needing insurance coverage on the new Life Center we just built and the rest of our property. The insurance company we had used for the last six years informed us that they could no longer provide us with coverage because of the multiple activities we were having in our Life Center.

It was recommended for me to call Paul and Micki Davis at P.M.D. Insurance Inc. which is located in Oneonta Alabama. Paul came out to the church where he began asking me questions about the buildings, the property, and the activities we were having and put together an insurance package that fit our needs. When everything was finished we had better coverage than we ever had, and the cost of the coverage was much lower than what we were paying.

Paul and Micki Davis are Christians who are very active in their own church, so they have a heart for helping churches and pastors find the very best coverage in insurance, but at the same time they want to help the church save money if they can. I would strongly recommend them to you if you have any insurance needs. You can reach them at (205)625-3030 or their address is; 1106 Suite D, Second Ave. East, Oneonta, AL. 35121.

Thanks for your time and consideration in this matter.

Sincerely,

Rev. Nelson Kimberly
